

MEF Summer Music Grants are almost too good to be true!
But it's true: all eligible **District 41 students who apply**
will receive a grant to attend music camp this summer!

Each year the Music Education Foundation awards summer music camp grants to students who are registered in District 41 music programs. Below is information regarding music camps for **Summer 2017**.

Who is eligible?

District 41 students who are currently members of band, chorus or orchestra and who will participate in music programs **at Hadley Jr. High** next school year (2017-18). Application deadline is **May 15, 2017**. Families of music students applying for a summer camp grant must be current members of MEF.

Please visit our [website](#) to join MEF. If this causes financial hardship, please contact Susan Koprowski koprowskisusan@gmail.com c: 630-776-9400.

What kind of grant is this?

It is a **non-competitive**, monetary grant intended to help defray the cost of attending music camp.

All approved applicants will receive an equal award. The exact amount awarded will be determined by the number of applicants and by the success of MEF's fundraising efforts.

How do I find out about summer music camps?

Ask your music director or private teacher for information about music camps. Some information is included with this application. MEF does not promote or exclude specific programs, and we welcome additional camp resources you might find.

Can I choose a camp that is not on the list?

Yes, but it must be pre-approved by the MEF Music Scholarship committee. Grants will only be awarded to students attending a band camp, choral or orchestra program.

How do I get information and an application for the camp?

Music directors have a limited supply of brochures for some of the listed camps. Please contact your preferred camp directly. The MEF [website](#) lists additional web links for music camps. Please research camp suitability before applying for the music camp grant.

How do I apply for the grant?

A music grant application form is attached to this information letter. District 41 band, chorus or orchestra students should personally complete this application and **return it by May 15, 2017**. Students will receive notification of the grant award amount by May 22, 2017. Once your child is enrolled in the camp, a grant check will be made payable directly to the music camp or reimbursed to individuals with a provided receipt from the camp.

Why would I want to go to a summer music camp?

Previous recipients have reported, "I couldn't believe how much better I was at the end of camp, especially since I was having so much fun." Many campers have made lasting friendships with students and teachers from other communities, and look forward to reunions each summer.

Who can I talk to for additional information?
